- Actors loved the silhouette photos of them.
- Volunteer spot: Phil recommends that we keep changes to a minimum in consideration to the volunteers. Lisa Dinning suggested that we include the category of two parent backstage volunteers. Bev Nickelson wants two people for Fanagrams.
- Bev Nickelson suggested adding a small write up in the program encouraging Fanagram sales.
- Discussion of the issues around the play tech including long hours and communication issues with the tech director. Phil Walker suggested a Volunteer Spot sign up arrangement such as 3-4 hour shifts. Will discuss with tech director. Parents included in tech Volunteer Spot sign up opportunities. Meals for tech discussion. A need exists for clear communication for meal times. Clarify expectations and communicating with parents to reassure. Theatre Boosters provide food for the strike. These expectations will be communicated at the musical parent meeting.

**New Business**

- One Acts Update: Feb 12 and 13<sup>th</sup>. Emma Olson will be directing. Auditions dates TBD.
- Regarding funding issues with the musical, any budget shortfall will be covered from another source.
- Positions for next year: Committee members are encouraged to "job shadow" for any committee interests.
- Possible co-president arrangement based on availability of volunteers.
- One Acts Boosters handle the display case and the program only.
- Phil is trying to find a new more cost-effective vendor. Still need to find an inexpensive source for the rings. Currently the donated key ring for the flash drive has a red pig which is not particularly desirable nor is it ethical to remove. Phil will continue the search for donated key rings.

Rebecca Colbert motioned to adjourn the meeting. Gwen Powell seconded. Meeting adjourned at 8:57pm.
