Director's Note

*If you see the wonder of a fairytale; You can take the future, even if you fail.*

I love ABBA. There - I said it. They are some of the greatest writers of pop music in history. My parents loved ABBA, so I heard it a lot in my youth. It's why I know the words to all their hits. I knew my ABBA-affinity would lead me to this show eventually, but when it was announced that *Mamma Mia* would be the Homecoming theme this year, I figured the stars were aligning. Of course, it's also fun and high-energy with the disco-y nostalgia of ABBA music; but simultaneously the story is about human relationships. The connection between these characters — long-time friendships, family bonds, and romance — surpasses time and distance. At its core, *Mamma Mia* is a modern-day fairytale - and theatre people do see the wonder in fairytales. *Without a song or a dance, who are we?*

We hope you enjoy our Spring Musical and, as always, we thank you for your support of the performing arts.
